

February 2, 2021

Dear Patients,

This letter is to inform you, my last day with Avenue 360 Health & Wellness will be February 3, 2021. Avenue 360 Health & Wellness will continue to provide Infectious Disease and Primary Care services at our Heights/Main location.

Patients may continue to remain at Avenue 360 for their Infectious Disease and Primary Care services, or they can choose to establish care with another physician/provider. Avenue 360 can help in a search, by providing names of physicians/providers in the area who are accepting new patients.

For patients: medical records are confidential; however, a copy can be transferred to another physician/provider, with a signed authorization form from you or released to you with proper identification. If you choose to see a different physician/clinician, please sign the enclosed authorization form and return it our clinic as soon as possible, so we may transfer your records to your new physician/provider. Until then, your records will remain on file at Avenue 360 Health & Wellness.

Thank you for entrusting your medical care to me and Avenue 360 Health & Wellness. If there is any further information needed, please feel free to contact us.

Sincerely,

Sharon Jones, NP

A handwritten signature in blue ink that reads "Sharon Jones" followed by the initials "CFNP".
